

A wondrous camp for the adventurous spirit!

Welcome to Long Lake Camp Adventures, a place where campers grow and succeed together.

Our campers do more in three weeks than other kids do all year round. Boys and girls ages 8 to 16 can experience different adventures every day with an emphasis on fun, excitement, exploration and sustainability.

With us campers get the right combination of friendship, action, sports, team building and excitement every day. Set against the backdrop of the great Adirondack Mountains, Long Lake Camp Adventures promotes forward thinking and sustainability all while giving campers an unforgettable summer. Surrounded by the very best caring staff, campers build self-confidence and develop their own character all within the unique Long Lake framework of campers supporting and encouraging each other. Only at Long Lake can you design your very own schedule everyday picking only the activities you love to do. Twice a week we embark on unforgettable trips to amusement and water slide parks, white water rafting, kayaking and hiking to the top of New York's highest peaks.

Our staff is handpicked from the very best for their adventurous spirits, sports knowledge and sustainability backgrounds and experience with outdoor pursuits. We make sure all our staff is nurturing while they share their talents. Our campers improve on their existing skills and learn many, many more.

Let's begin our adventure together...

Everyday Fun:

Below are just a handful of adventures and activities campers at Long Lake Camp Adventures will enjoy throughout the summer.

Outdoor Pursuits

Challenge yourself on our high ropes course amongst the trees with a zip line over 300 feet. Ascend a huge climbing tower, enjoy a fun filled paintball game, test your accuracy in our archery range, try fencing and so much more. Not enough? How about mountain biking, ATV's and horseback riding on our very own tracks and trails.

Wilderness Pursuits

White water rafting, survival skills, sea plane rides, camping, orienteering, first aid classes, shelter building, geology, wildlife investigations and recycling programs. We also offer animal tracking, forest ecology, how to pitch a tent and build a camp fire and hiking trips to the mountain tops.

Spectacular Waterfront

Who doesn't love swimming, fishing, boating, sailing, kayaking, water skiing, jet skiing, paddle boarding, canoeing, knee-boarding, wake-boarding and tubing! Give it all a try at Long Lake.

Sports

Football, soccer, baseball, volleyball, basketball, lacrosse, dodge ball, tennis, golf, tetherball, Frisbee (golf and ultimate), badminton, rugby, motor sports on a new track or daily capture the flag games just to name a few! Our sports promote team work and togetherness.

Automotive

Campers get to work on real American Muscle Cars, souping them up and restoring them back to their glory days. We have a 1971 Plymouth Road Runner, 2 classic Buick Skylarks, 1953 Chevy pickup and a 1978 Ford Ranchero. We are also building a 1927 T-Bucket from the ground up! With the popularity of the Fast and Furious we decided to do some import cars as well. Our first project is turbo charging a 1995 M3!

Fitness

Cross-country running, track and field, martial arts, yoga, fitness training including weights and circuits tailored to athletes.

Going Green / Sustainability

We are 100% solar powered and try to teach our campers how they can be self-sustaining if they want. We have a wonderful garden where we teach kids about sustainability including how to plant seeds, fertilize organically and cultivate finally we then cook with our harvest. We do art projects with recycled material, compost, raise our own pigs, goats and chickens for eggs and we built a real Earthship all with the campers help.

Fun Events and Activities

Relay races, water balloon and water pistol fights, giant slip n' slides, gladiator-style events, triathlons and rocketry are just a few of our popular activities! Plus, we offer team building activities including fort building and sailing homemade rafts, and making your own musical instruments. New for 2014 we added the "Fortress of Solitude", our very own rock studio equipped with a full drum set, guitars and basses' microphones and amps. Record your favorite songs or write your own music! We also host weekly Rock Concerts where our campers can share their talents on the big stage for all to enjoy. Recently we added Arkham Comics where campers can enjoy their favorite comic books or play on some of our classic arcade games. We also added a black smithing class, DJ classes & woodwork class.

Exciting Electives

Arts and craft projects focusing on environmental and recycled art, candle making, tie-dye and face-paint fun, you can start a rock or jazz band with your new friends or play Board games including chess, cards, Twister, Clue, Monopoly, and life-size Jenga!

Evening and Special Events

Dances, movie nights, bunk activities, camper talent and performance nights, night dodge ball and other sports under our bright court lights, sun set horseback, ATV's and water sports.

Weekly BBQ's and Cookouts

Freshly grilled hot-dogs, burgers, corn, potatoes and more!

Overnight Camp-Outs

Canoe over to other shores, pitch a tent, build a fire and use your newly learned cookout skills
